

Conservation Restrictions

David S. Goldman, P.E.
President
Hopkinton Area Land Trust

Why Conservation Restrictions

- **CR's are desirable because they assure that the land will remain in its natural state, in perpetuity**
- **Add an extra layer of protection by the state**
- **Are reversible only by an act of the legislature**
- **Require NO town services at all**
 - **Require no expenditure of tax dollars**
 - **Generate no tax dollars [if held by a 501(c)(3)]***
 - **Revenue neutral**

* If Held by a 501(c)(3) in Fee Simple today, then the land generates no taxes today

Issues in Conservation Restrictions

- **Open to the Public:**
 - If result of OSLPD and written into the Certificate of Planning Board Action, then open to the public;
 - If private, then may or may not be open to the public
- **Fishing**
 - If there is a body of fishable water, then yes
 - If there is no body of fishable water, then No or Moot
- **Hunting**
 - 97% of all open space is within 500 feet of a residential property
 - Allow bow hunting

Hunting Issue

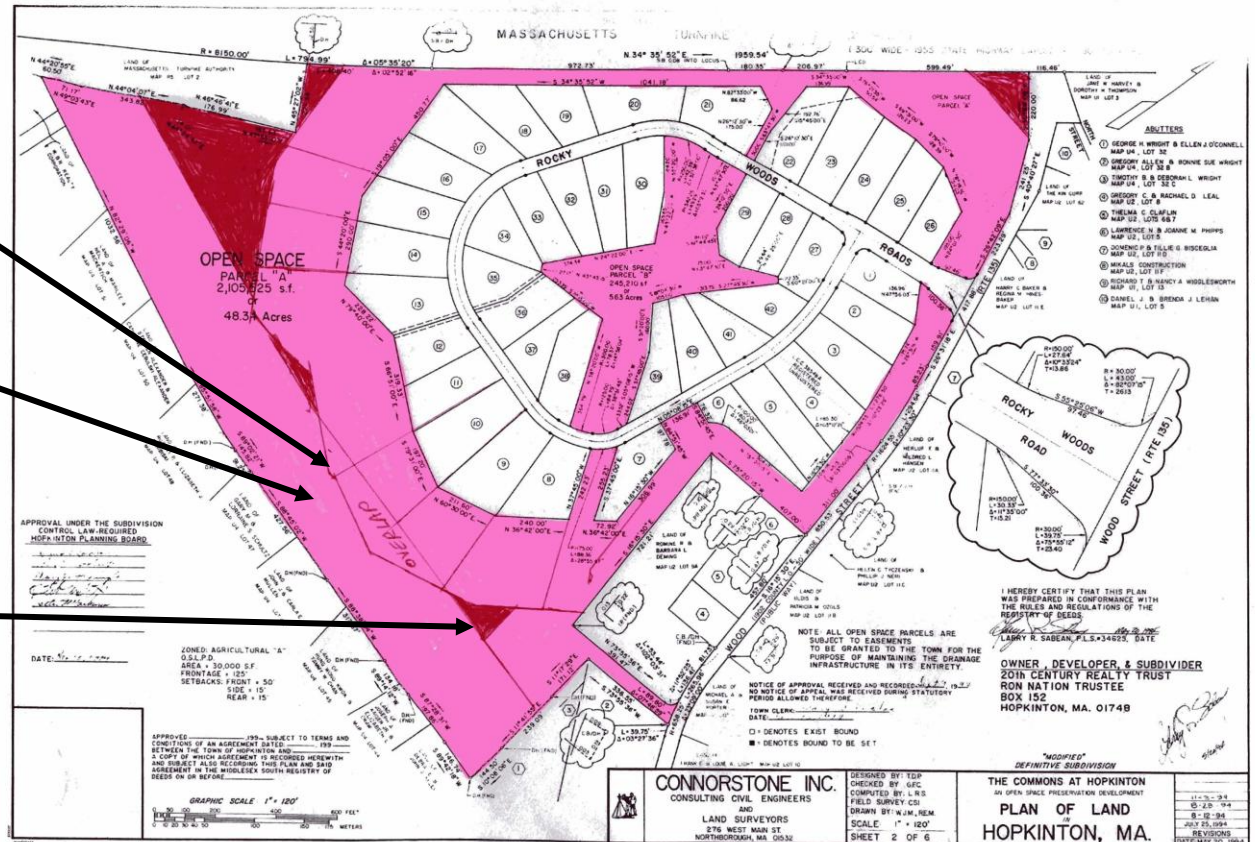

- **MGL Chapter 269: Section 12E. *Whoever discharges a firearm as defined in section one hundred and twenty-one of chapter one hundred and forty, a rifle or shotgun **within five hundred feet of a dwelling or other building in use**, except with the consent of the owner or legal occupant thereof, shall be punished by a fine of not less than fifty nor more than one hundred dollars or by imprisonment in a jail or house of correction for not more than three months, or both.***

Example of the Hunting Issue

- An Analysis of One OSLPD Subdivision

- Lines represent 500 foot limits
- Pink areas are the open space
- Red areas are locations where hunting is theoretically possible

Fishing Issue

- **If one refers back to the last slide, for this subdivision analysis, there are no fishable bodies of water (in fact no bodies of water at all)**
 - **This would make the fishing issue moot**
- ***Propose that fishing issues, in CRs, be handled on a case-by-case basis with appropriate analytical support***
